

Subject: Please pass around thank you.

On behalf of Kate and Gerry McCann and all the family, please help us find Madeleine.

Madeleine, age 3, was abducted from her bed in the family holiday apartment, Praia De Luz , Algarve , Portugal on Thursday, 3rd May.

Police and all of Portugal are trying to find her. The Portuguese people, holiday makers and ex pats have been a great support to the family and continue their efforts.

You, too can help. Please circulate this plea to publicise Madeleine's photo and ask for information, no matter how small to be passed on to the authorities.

Whether you are in the UK , Portugal , and Europe or beyond, please forward to all your family, friends, colleagues and business associates. Someone out there will have some information that will lead to Maddy's return.

The internet can be a powerful tool in finding Maddy, who is so loved and missed by us all.

Let's use it positively.

Please pray for Madeleine and all the family at this devastating time.

We need your help. We know you won't let Maddy down.

God bless,

Pat Perkins
